IN RE: Application of International Telecommuni-) ORDER
cations Exchange Corporation for Approval) APPROVING
of Revisions to its SC PSC Tariff No. 1.) TARIFF AND
) CLOSING DOCKET

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing on April 16, 1992, made on behalf of International Telecommunications Exchange Corporation (INTEX) for revisions to its SC PSC Tariff No. 1. The purpose of the filing was to introduce INTEX Affinity Service as a new service offering; make price changes in accordance with Commission Order No. 84-622 for Switched Outbound Service, Dedicated Outbound Service, 800 Dedicated Service and Travel Card Service; and eliminate the volume discount structure and change the minimum call duration and rounding to a full minute for 30 second/six second increments for Travel Card service.

The matter was duly noticed to the public and a Petition to Intervene was filed on behalf of Steven W. Hamm, Consumer Advocate for the State of South Carolina (the Consumer Advocate). Subsequently, the Commission received a letter from counsel for the Consumer Advocate stating that upon review of the tariff filing and discussions with Company officials, the Consumer

Advocate was satisfied that the proposed tariff filing of INTEX was just and reasonable, and that the Consumer Advocate would not participate in any hearing scheduled in this matter.

In light of the Consumer Advocate's withdrawal of its participation and after the Commission's review of the tariff filing, the Commission has determined that the proposed tariff filing of INTEX should be approved and that the instant Docket should be and hereby is closed.
